

# Join TS Swiftsure NTC

Be part of the next generation

The Nautical Training Corps (NTC) is a uniformed youth organisation and registered charity, based in the south of England. The Corps aims to help young people develop their full potential through nautically based training.

Opportunities are provided to explore a wide range of experiences and activities including; sailing, canoeing, sports, climbing, marching band and

shooting. These are available at the Corps' local divisions, its two national activity centres and other organisations' facilities.

The NTC is more than just uniforms and marching. The NTC prides itself on its fun activities and you are encouraged to take part in as much as you can... There's lots of fun stuff that you've probably never been able (or allowed!) to try at home or school.

If you like the idea of competing in rifle shooting with your mates, hitting the water in a kayak, powering through the waves in a boat, camping out then the chances are you're going to fit in and have a great time.
